THE JOINING OF FORCES BETWEEN **WOODVIEW & SPARTA**

HAND-SELECTED

A collaboration between the Woodview Angus family – boasting 50 years of world-class expertise in Angus breeding – and Sparta beef, bringing you beef in a class of its own.

Our Sparta Angus beef is grown in the heart of South Africa, renowned for its clean air and pristine environment. Young cattle thrive in our relaxed setting contributing to meat that is superbly soft and tender.

Sparta Angus beef is of an elite calibre, defining the standard by which beef is measured. It captures the essence of the premium flavour that has made Angus beef the most famous beef in the world.

Our Angus beef is hand-selected for a marbling score of no less than 3*, guaranteeing that every bite is filled with all the flavour that comes with marbling. Our beef is expertly trimmed and packed, ensuring every cut meets the highest expectations.
